Product Description

Each shovel and rake in this dantoy set from the Green Bean range is unique. The product is made from leftovers from plastic production and has been awarded the Nordic Swan ecolabel. The recycling process creates beautiful colour nuances and random colour combinations so that no two sets look the same. This shovel and rake set is an invitation to play and learn and can be used to complement other sand, water and garden toys from dantoy. Green Bean toys are only produced in small quantities as they are made from leftover stock, which makes this range even more unique. The recycling process creates beautiful colour nuances and random colour combinations. Suitable from 2 years, dishwasher safe.
