Product Description

With its attractive size of 250 x 300 millimetres, the classically elegant PLANET table globe can be placed in a wide variety of locations: on the desk, on a sideboard or on a shelf as well as in the kitchen. The English-labelled globe is optionally available with a chrome-plated metal base and shiny globe or alternatively with a black matt metal base and matt globe. The underside of the base is covered with felt to protect furniture surfaces. Globe with 25 cm diameter, chrome-plated metal base, movable axis, plastic / metal, glossy, black / silver-coloured- High-quality workmanship: Modern table globe with a total height of 30 cm, rotatable on a sturdy chrome-plated metal base. Impressive design and high-quality surfaces. Lined with felt to protect furniture surfaces. - Attractive design: Shiny two-colour globe PLANET (25 cm diameter) with silver country areas and black seas, labelled in English with continents, oceans, countries, geographical zones and important cities. - Functional and decorative: stylish interior design, whether on a desk, shelf or sideboard. The two-coloured globe can be combined with any type of furniture.- Added value: With its realistic details and high-quality workmanship, the globe is not only a decorative element, but also an educational tool for curious minds of all ages.
