Product Description

An attractive eye-catcher that makes itself useful: the TERRA LIGHT globe with English lettering provides quick orientation in matters of location and, with its wide range of colours and integrated LED lighting, is also a decorative accessory for the office, living area and children's and teenagers' rooms. Further features include the high-quality chrome-plated metal base and a black cable with Euro plug and switch. Globe with 25 cm diameter, integrated lighting, chrome-plated metal base, movable axis, plastic / metal, glossy, blue / gold- High-quality workmanship: Illuminated globe with a total height of 32 cm, rotatable on a stable gold-coloured metal base. Impressive design and high-quality surfaces. Additional features: black cable with Euro plug and switch.- Attractive design: TERRA LIGHT LED globe (25 cm diameter) with illuminated map image. The country areas are gold and the oceans are dark blue. The globe is labelled in English and shows continents, countries, oceans, geographical zones, important cities and mountains.- Functional and decorative: Integrated LED lighting with warm light combines geography with a homely atmosphere. Creates a pleasant environment for discovering and learning.- Added value: With its realistic details and high-quality workmanship, the globe is not only a decorative element, but also an educational tool for curious minds of all ages.
