Product Description

Exhibit Gallery Picture Frame Set, chrome

The Exhibit Photo Display features a wall-mounted brushed metal ledge with clips and brackets to hold five gallery-style picture frames of various sizes, all while reducing the amount of damage typically left on walls. The brackets with the frames are suspended from the ledge, which allows them to be moved around to create various layouts. Its flexible amount of damage typically left of walls. The fraction will the fraction will be fractionally all the fractions will the fractional the fraction will be fractionally all the fractions are supported in the fraction will be fractionally all the fractions are supported in the fraction will be fractionally all the fractions are supported in the fraction will be fractionally all the fractions are supported in the fraction will be fractionally all the fractions are supported in the fraction will be fractionally all the fractions and support fractions and support fractions. It is fractionally all the fractions and give it a modern update while curating your favorite photos and artwork. Exhibit is customizable to your layout preference. The picture frames can be moved around the metal ledge and rotated to a landscape or portrait orientation. Exhibit features two 4x6 and three 5x7 inch picture frames to fit all of your favorite photos, artwork, illustrations and more. Complementary to multiple decor styles, Exhibit is a beautiful wall decor piece that allows you to change out images easily to refresh your room any time you
