Product Description

WHAT IS CARTONIC?Cartonic 3D puzzles are the easy and environmentally friendly way to create a real work of art from cardboard. It's a kit of pre-cut cardboard discs, as simple as 1-2-3. During the making process, you literally witness it being created layer by layer. When you're done, you can make your artwork even more unique by painting it or placing it in your home as is. But we should warn you that you might need a new one right after you've assembled it, because the process is addictive.WHAT IS SO KULT?Eagles are known as strong and skilful hunters. Their eyesight is 5 times better than that of a human and they can even detect UV light! These large birds have become the national symbol of the United States, but they have long been a favourite in the heraldry of European countries. Assemble this graceful head and look it in the eye.Quantity:- 73 piecesAssembled puzzle Size:- 16x10.3x19.2 cm and 6.24x4.02x7.49 in
