Product Description

WHAT IS CARTONIC?Cartonic 3D puzzles are the easy and environmentally friendly way to create a real work of art from cardboard. It's a kit of pre-cut cardboard discs, as simple as 1-2-3. During the making process, you literally witness it being created layer by layer. When you're done, you can make your artwork even more unique by painting it or placing it in your home as is. But we should warn you that you might need a new one right after assembling it, because the process is kind of addictive.WHAT IS SO CUTE?Gnomes are quite small and, according to fairy tales, mostly live underground. They were actually clever miners, but eventually became very popular as garden carers. Not all gnomes are nice, they can also be evil. But this cardboard friend is a good guy, put the puzzle together and see for yourself. You can colour him in and use him as a decoration for your house to keep everyone safe and happy. But don't forget that the hat can be any colour once the colour is red.Quantity:- 98 piecesAssembled puzzle size:- 18.5x12x10 cm and 7.22x4.68x3.9 inHow much time does it take?- 30 to 60 minutes, depending on the number of details and how quickly you want to make it to enjoy the process
