Product Description

WHAT IS CARTONIC?Cartonic 3D puzzles are the easy and eco way to create a genuine piece of cardboard art. It's a pre-cut kit of cardboard slices, as simple as 1-2-3. During creation, you will literally witness its formation layer by layer. Once you're done, you can make your artwork even more unique by painting it or enjoying it as is in your home decor. But we should warn that you might need a new one right after the assembly because the process is kind of addictive.WHAT'S SO CULT?One of the biggest mysteries of humanity is about understanding how everything we know, remember and feel is processed by this organ. The irony is we try to solve the puzzle of how it works with the brain itself. So let's begin with the puzzle you'll solve for sure, the sculpture one. While the real human brain more than 60% is made of water, ours is 100% cardboard. Ready to see what's there inside the human mind?Details quantity: 92 pcsAssembled puzzle size: 13x12,3x15,3 cm and 5,07x4,8x5,97 inHow much time it takes?From 30 to 60 minutes depending on the number of details and your willing to do it ASAP or to enjoy the process.
