Product Description

Cartonic 3D puzzles are the easy and eco way to create a genuine piece of cardboard art. It's a pre-cut kit of cardboard slices, as simple as 1-2-3. During creation, you will literally witness its formation layer by layer. Once you're done, you can make your artwork even more unique by painting it or enjoying it as is in your home decor. But we should warn that you might need a new one right after the assembly because the process is kind of addictive. WHAT'S SO CULT? The most wanted blonde of all time and the bombshell of the 50s. Actress whose dresses made the news. She invented that smile and catwalk, that drove some presidents crazy. There are as many rumors about her death as there were those about her life. But no one would refuse to hear the "Happy Birthday" song from her. What really was there inside her head? - Details quantity: 127 pcs- Assembled puzzle size: 16x13,2x12,9 cm and 6,24x5,15x5,03 in- How much time it takes? From 30 to 60 minutes depending on the number of details and your willing to do it ASAP of to enjoy the process.
