### Product Description

Cartonic 3D puzzles are the easy and environmentally friendly way to create a real work of art out of cardboard. It's a pre-cut set of cardboard discs, as simple as 1-2-3. During the making process, you can literally see it being created layer by layer. When you're done, you can make your artwork even more unique by painting it or placing it in your home as is. But we should warn you that you might need a new one as soon as you've finished assembling it, because the process is addictive. WHAT IS SO CULT? The top scorer of the Argentinian national team. He is the proud owner of 7 Ballon d'Ors and 6 European Golden Shoes. He was the first footballer to win the Laureus World Sportsman of the Year. Each of his free kicks is a masterpiece to watch over and over again. So will you head the ball to Messi? Details- Details Quantity: 103 pieces- Size of the assembled puzzle: 18x14.1x10 cm and 70.2x5.5x3.9 in- How much time is needed? Between 30 and 60 minutes, depending on the number of pieces and willingness to do it as quickly as possible to enjoy the process.
