Product Description

WHAT IS CARTONIC?Cartonic 3D puzzles are the easy and eco way to create a genuine piece of cardboard art. It's a pre-cut kit of cardboard slices, as simple as 1-2-3. During creation, you will literally witness its formation layer by layer. Once you're done, you can make your artwork even more unique by painting it or enjoying it as is in your home decor. But we should warn that you might need a new one right after the assembly because the process is kind of addictive.WHAT'S SO CULT?For pirates and the regulars of tattoo salons, the skull is the symbol of ruthlessness. Some bikers even believe that having an image of the skull may let you fool Mrs. Death. But if you ask a doctor they will tell you that a human skull of an adult is nothing but a complex of 22 bone elements (although it is 44 at the moment of birth, huh). Doesn't that make it a perfect puzzle to assemble?Details quantity: 72 pcsAssembled puzzle size: 11,7x10,1x16,6 cm and 4,56x3,94x6,47 inHow much time it takes?From 30 to 60 minutes depending on the number of details and your willing to do it ASAP of to enjoy the process.
