Product Description

Cartonic 3D puzzles are the easy and eco way to create a genuine piece of cardboard art. It's a pre-cut kit of cardboard slices, as simple as 1-2-3. During creation, you will literally witness its formation layer by layer. Once you're done, you can make your artwork even more unique by painting it or enjoying it as is in your home decor. But we should warn that you might need a new one right after the assembly because the process is kind of addictive. WHAT'S SO CULT? The Beatles sang that all we need is love. So now you can be sure you've built it by yourself (in the shape of our puzzle at least). Yes, we all know what love consists of. It is L-O-V-E. Or is it a chemical cocktail of dopamine and norepinephrine? Our version has a bit more of the parts included. Assembling this 3D sculpture can be a sweet idea to spend a cozy evening together or a romantic gift made with your own hands.- Details quantity: 128 pcs- Assembled puzzle size: 18x18x6 cm and 7,02x7,02x2,34 in- How much time it takes? From 30 to 60 minutes depending on the number of details and your willing to do it ASAP of to enjoy the process.
