Product Description

BELLWOOD Umbrella Stand, black/walnut

The Bellwood Umbrella Stand is both durable and stylish. Bellwood has a round base made of water-resistant and rustproof synthetic resin and a curved handle in wood veneer. The upper ring is made of solid steel.

This elegant piece is easy to assemble and comes with all the necessary materials. The four-part base can hold your long umbrellas while the hooks on the upper steel ring hold your more compact short umbrellas. Bellwood has a diameter of 22 cm and is 68 cm high. Thanks to its compact dimensions and stylish design, it fits anywhere in your home and is compatible with a wide range of interior styles.

Are you looking for a functional and elegant umbrella stand that also adds a decorative touch to your home? Then order your Bellwood Umbra umbrella stand today!

Umbra is an internationally operating design company known for original, modern, cool, functional and affordable products for home & living.
