📄 Product Description

Flip is a modern and functional coat rack that offers spacious storage space for jackets and accessories in the hallway, bedroom, office and bathroom. Flip has foldable hooks that can simply be folded back when not in use. Despite its simple and space-saving design, Flip offers a surprising amount of space, making it a perfect holder for jackets, scarves, bags and more - for you, your family and your guests. Flip can really be placed in any room in your home and thanks to the special design, the hanging loop on the back is not visible, which gives Flip its weightless and floating look. Size: 30 x 6 x 3 cm. Wood from sustainable forestry. Wood is a unique natural material with variations in tone, surface and grain. The product may differ from the picture.
