Product Description

Umbra Cappa curtain pole, extendable telescopic curtain pole, set includes 1 curtain pole, wall bracket, fastening material and end pieces. Each Cappa curtain pole from Umbra is made of high-quality metal and individually tested for quality. The durable and versatile Cappa curtain pole is suitable for light to medium-weight curtains with a maximum weight of 10 kg. In addition, everything you need for quick installation is included, including matching metal end pieces, adjustable wall brackets, screws, plugs and easy-to-follow installation instructions. The extendable curtain pole suits a variety of interior styles and can be used for curtains with eyelets, loops, ruffle tape and drawstring. Wall brackets for single curtain poles are mounted 10 cm from the wall, wall brackets for double curtain poles 15 cm. The curtain rod is made with a more environmentally friendly coating. It produces 85% less water and solid waste than conventional galvanised coatings. COMPLETE CURTAIN ROD SET: Cappa is available in different lengths and is suitable for curtains or drapes up to 10kg EASY TO INSTALL: Cappa telescopic curtain rod is supplied with everything you need for a quick installation; 4 end pieces, wall brackets, screws, plugs and installation instructions; Note: 92-168cm curtain rods are supplied with 2 wall brackets, all other sizes with 3 wall brackets PERFECT FOR: Cappa curtain rod is perfect for curtains with eyelets, back tabs, ruffle tape and tabs COMPLETE THE LOOK: Complete the look with our matching Cappa clip curtain rings (sold separately) ORIGINAL DESIGN & SATISFACTION GUARANTEED: Our team of international designers bring thought, creativity and original design to everyday objects. Umbra products are made from high-quality materials.
