Product Description

The stackable Tesora jewellery box consists of two individual jewellery trays that can either be stacked on top of each other or used separately. Both jewellery boxes are lined with velvet to keep your jewellery safe and protect it from scratching. The undersides of both trays are fitted with felt pads to prevent scratching of surfaces. The elegant metal lid also serves as a jewellery tray for your favourite pieces that you always want to have to hand. The inside of the lid is also provided with a felt pad so that it can be placed on the jewellery boxes without scratching them. Use the Tesora jewellery box in the configuration that suits you best. Wood is a unique natural material with variations in tone, surface and grain. The product may differ from the picture. Modern design: Tesora is a stackable double jewellery box that combines functionality with modern, contemporary design in a special way. Two compartments: The two stackable jewellery boxes can be presented in different configurations - whether stacked on top of each other, separately, with or without a lid; use the Tesora jewellery box in the configuration that suits you best. Velvet lining on the inside: Both jewellery boxes are lined with velvet to keep your jewellery safe and protect it from scratching. Decorative: Tesora jewellery box has a modern and unique design and is suitable as decorative storage for your favourite accessories on your dresser, bedside table or kitchen counter.
