Product Description

Simple and sustainable furniture design from Umbra. This modern coffee table offers comfort and quality with its easy-to-assemble wooden construction. 80% of the wood comes from sustainable forestry. The 10 mm thick tempered glass table top has polished edges; the glass surface is easy to clean and provides a clear view of the intricately crafted wooden construction. With a load capacity of 91 kg and scratch-resistant feet, the Madera coffee table is built to last. Size: 84 x 84 x 38 cm. As wood is a natural product, each Madera coffee table may differ slightly in its grain. Wood is a unique natural material with variations in tone, surface and grain. The product may differ from the picture. Wood from sustainable forestry: Madera's unique sculptural wooden base is made from 80% renewable ash veneer and eucalyptus wood. Tempered glass: Madera has a 10 mm thick tempered glass table top and polished edges. Clean design: This modern and minimalist round coffee table has a load capacity of up to 91 kg and harmonises with a variety of design styles. Easy to assemble: Madera is easy to assemble and comes complete with assembly accessories and clear assembly instructions; size Original Design & Satisfaction Guaranteed: Our team of international designers bring thought, creativity and original design to everyday objects. Umbra products are made from high-quality materials. Details- Colour: black- Material: 45% eucalyptus wood, 39% glass, 15% ash wood,- Dimensions (L x W x H): 87 x 87 x 39 cm- Designed by: DESIGNSTUDIO SPEZIELL
