### Product Description

Large set of different cars and a multi-storey car park that many children can play with at the same time. The cute little cars all have a friendly expression on their faces. The set is suitable for indoors and outdoors. To clean, simply shake off the sand and put the cars in the dishwasher. The car park is also dishwasher-safe, but we recommend cleaning it by hand to protect the stickers. The FunCars Classic set is made in Denmark from sustainable raw materials and has been awarded the Nordic Swan for this.
