Product Description

This beautiful salad set from Green Garden is perfect for a large, delicious lunch. The set consists of different types of vegetables, cheese and dressing as well as bowls and service. It's a great way to discover cooking and invite the family round for a break to satisfy the hungriest of appetites. The salad set is suitable for both indoor and outdoor play. This toy can easily be expanded with other sets from the Green Garden series, all of which encourage outdoor play, learning and exploration. Combine the salad set with the hot dog or barbecue set so that even more can be invited to eat. The Green Garden universe invites children to playfully engage with the many everyday tasks around the house and garden. Between these tasks, there should of course also be time for a break in a cosy corner of the garden - perhaps with a salad for lunch in the sun? This salad set is a Danish-made toy from dantoy, made from plastic that carries the Nordic Ecolabel. The set consists of 56 pieces in beautiful, calm Green Garden colours. The recommended age group for this product is 2+ years.
