Product Description

The perfect combination of shovel and vehicle, with funny faces. The bulldozer with the "Nordic Swan" eco-label has a sturdy, round handle so that it can be used for road construction in the sandpit or for digging canals on the beach, for example. Filling and emptying the shovel strengthens the child's hand-eye coordination, among other things. Details- Age recommendation: from 2 years- Suitable for hand washing- Award: Nordic Ecolabel Dimensions- Length: 320 mm
