Product Description

Nature can be discovered with the large sand and plant set from dantoy, which offers many opportunities to play and take part in practical tasks - but also to explore. Nature is a place of sensory learning where children can enjoy following the development from seed to flower, feel the sand under their nails, hear the birds chirping and smell the freshly mown grass. This toy can easily be expanded with other sets from the Green Garden series, all of which encourage outdoor play, learning and exploration. The Green Garden universe invites you to playfully engage with the many everyday tasks of gardening. Discover together how the plants and colours of the garden change throughout the year. This sand and plant set is a dantoy toy made in Denmark from plastic that carries the Nordic Ecolabel. The set consists of 18 pieces in the beautiful, calm colours of Green Garden. The recommended age group for this product is 2+ years.
