Brand Windrose A symbol of quality and luxury since 1967 Since its foundation in 1967, the Windrose brand has stood for exceptional quality in the world of jewellery storage and manicure cases in the small leather goods sector. Under the Windrose umbrella, you will find an exquisite selection of jewellery cases, watch boxes and manicure cases that impress in every respect - from functionality to design. Windrose - Where elegance meets practicality At Windrose, we understand that beauty and functionality go hand in hand. Our products are not only aesthetically pleasing, but also designed to meet the needs of our discerning customers. With Windrose, you are choosing a brand that stands for excellence, tradition and innovation. Luxurious materials for unique products We use only the highest quality materials for our jewellery cases. The finest leather and velvety velour, mostly sourced from Italy, give our products a luxurious look that is second to none. The careful selection of materials ensures the durability and exclusivity that characterises Windrose. A strong heritage that connects Today, the Windrose brand is distributed and further developed by us, Sacher & Co. manufactory. Together with our SACHER brand, we are the leading supplier in the specialised trade - both in German-speaking countries and beyond. Our unwavering commitment to quality and customer satisfaction has established Windrose as a trusted choice for retailers and customers worldwide.
