Product Description

LARA hip flaska DROP FOR A GOOD DROP: The flattering hip flask can be filled with up to 18cl of whisky, herbal schnapps or grappa - a sufficient quantity to enjoy a drink with friends on the go. EVERYTHING FLOWS: Its smoothly flowing shape without corners and edges is easy on the lining of your jacket pocket and slides elegantly back to its place of origin after use. SHARED JOY: The highly polished stainless steel body can be engraved if required, making it a sociable gift for mountaineers, sailors, hunters and golfers. Only for good friends, of course. SOFT AND FLUID: A drop for a good drop: The flattering hip flask with screw cap can be filled with up to 18 cl of whisky, herbal schnapps or grappa - a sufficient amount to enjoy a drink with friends on the go. Its smoothly flowing shape without corners and edges is easy on the lining of the jacket pocket and slides elegantly back to its place of origin after use. The highly polished stainless steel body can be engraved if required, making it a sociable gift for mountaineers, sailors, hunters and golfers. Only for good friends, of course.
