### Product Description

**PICTURE HOLDER:** The alternative to the photo frame, where photos or Polaroids of your loved ones are always tilt-proof - sufficiently heavy - on the table nearby and ex-lovers are exchanged more easily and quickly than divorced  
**MEMOHOLDER:** Yes, no question, sticky notes are of course still possible. But please! This one has a lot more style, doesn't it?  
**STICKERS:** Price labelling in retail, daily menus in restaurants, flyers at reception, short messages on the kitchen table - sure, WhatsApp is practical, but handwritten is so much nicer ...- Material: highly polished stainless steel- Weight: 122 g- Length: 4 cm- Width: 2 cm- Height: 2 cm
