Product Description

With its high-quality design including LED light, the SOJUS English-labelled floor-standing globe creates an attractive eye-catcher in both private living areas and business premises. The sturdy base, the chrome-plated metal frame and the shiny globe with its relief-like mountains radiate maximum exclusivity. Available in four versions, the globe adapts to a wide variety of room concepts. Globe with 43 cm diameter and base, integrated lighting, chrome-plated metal base, total height 1.32 m, map relief, movable axis, plastic / metal, glossy, blue / silver-coloured- High-quality workmanship: Luminous floor-standing globe with a total height of 132 cm, rotatable on a stable chrome-plated metal frame. Impressive design and high-quality surfaces. Additional features: black cable with Euro plug and switch.- Attractive design: SOJUS LIGHT LED globe (43 cm diameter) with illuminated map image. The country areas are silver and the oceans are metallic blue. The globe is labelled in English and shows continents, countries, oceans, geographical zones, important cities and mountains. - Functional and decorative: integrated LED lighting with warm light combines geography with a cosy atmosphere. Creates a pleasant environment and the illuminated standing globe attracts attention.- Added value: With its realistic details and high-quality workmanship, the globe is not only a decorative element, but also an educational tool for curious minds of all ages.
