Product Description

The TURTLE is a noble animal and a symbol of wisdom and longevity. Many turtle species live up to 100 years, some even up to 200. They have a strong shell that protects them from enemies and does not prevent them from moving quickly. By assembling this wonderful 3D cardboard puzzle from Cartonic, you can not only enjoy the look of this reptile, but also learn more about these unique sea creatures. Cartonic - turn cardboard into real ART!
