Product Description

Coco & Zippi on the branch - Tit dumpling holder

The company J.Tiedemann Manufaktur & Design has been producing figures and sculptures made of stainless steel for house, terrace, balcony and garden in Germany for about 15 years. Among them the garden plug Coco and Zippi as tit dumpling holder, which serves as a garden stick for feeding the birds. The surface of the material is dirt-repellent treated, rust and weatherproof. Furthermore the sculpture is an alternative to rose balls.

The dimensions are: Height with stick 150 cm, branch length: 30 cm; birds are 11 cm high. Balls for the birds bodies = 8 cm, head = 4 cm diameter.
