### Product Description

Whether it's Goethe, Shakespeare or a cookery book: the BOOKGLOBE bookend duo is the perfect place to hold and appreciate literary classics, guidebooks and other favourite reads. The set, which is 155 millimetres high and 260 millimetres wide when placed next to each other, comprises two elements, each consisting of a black and silver globe and a black metal bookend. The magnetic fixation makes it easy to remove the globes and view them comfortably. Globe set with metal bookends, two magnetic globes, each 13 cm in diameter, plastic / metal, matt, black / silver-coloured. High-quality bookend set with two mini globes. The bookends are made of matt black metal and are 15.5 cm high. When placed next to each other, they are 26 cm wide. They are attached using magnets. Shiny BOOKGLOBE globes (13 cm diameter), with silver country areas and black seas, labelled in English with continents, oceans, countries, geographical zones and important cities. The magnetic BOOKGLOBE globes offer an elegant way to display your globes and organise your books or other important items at the same time. Globes are easily removable. Added value: With its realistic details and high-quality workmanship, the globe is not only a decorative element, but also an educational tool for curious minds of all ages.
