from **57,05 EUR**

Item no.: 397760
shipping weight: 0.40 kg
Manufacturer: KED Helmsysteme

Product Description

The KED® CROM is an extremely lightweight all-round helmet for trail riding and bike tours. With the K-FIT adjustment system, the helmet fits like a glove and is barely noticeable even after hours. Despite the 23! ventilation openings, which ensure superior cooling even uphill, we have of course made no compromises when it comes to safety - typical KED®, typical Made in Germany. Technical features- Weight: 330g- Made in Germany- Maxshell- Fidlock- K-Fit- Insect protection net- 23 ventilation openings- QUICKSTOPP® strap length adjustment and lock- QUICKSAFE® adjustment system with reflector- VisorSustainability- Responsible production in Germany- Short transport routes
