11213057684 - Mitro UE-1 M Light Grey

from **79,88 EUR**

Item no.: 397745
shipping weight: 0.40 kg
Manufacturer: KED Helmsysteme

Product Description

Mitro UE-1 With its minimalist design, the KED® MITRO UE-1 is the helmet for urban mobility on two wheels - especially for e-mobility. The MITRO UE-1 is one of the first helmets to be certified in accordance with NTA 8776 for S-pedelects and e-bikes thanks to its enhanced protective function. In addition, the Mips® Brain Protection System ensures even more safety. As a commuter, you will appreciate not only the safety but also the top-level fit and comfort. An effective system of internal air channels guarantees pleasantly balanced ventilation of the entire head area. With the modern BOA® Fit System, the helmet fits comfortably and securely with a twist. The integrated, battery-powered LED module is not only a design highlight, but also impresses with its 180° visibility and battery-free USB charging option. After the click of the magnetic FIDLOCK® strap fastener, you're off into the city.
