Product Description

Mug ORANGE RAINBOW Product description Our mug from the new RAINBOW series is a real eye-catcher and adds a touch of elegance and colour to your home. Each design is unique and carefully selected to create a harmonious collection. Whether hot or cold, enjoy your drinks in this unique mug. It has great potential to become your new favourite piece. The mug is made of robust borosilicate glass, so you can safely clean it in the dishwasher and even use it in the microwave. Discover more designs from our RAINBOW series and enrich your life with stylish and functional products. Particularly sustainable Borosilicate glass is very heat-resistant and fluctuating temperatures do not affect the material. It can be fully recycled and reused after melting down. In addition, despite its light weight, it is extremely stable and robust as well as neutral in taste and odour. Material: Borosilicate glass Dimensions: 12.5 cm x 8.5 cm x 9 cm GLA005 Sustainability-Borosilicate glass-Fair & social-Resource-saving Properties-Dishwasher-safe-Microwave-safe
