Product Description

Product description Discover our versatile serving spoon in a natural design that gives your kitchen utensils a whole new meaning. This sustainable kitchen accessory made from neem wood is a joy to cook and serve with. It is naturally antibacterial, antifungal and safe, making it ideal for kitchen utensils. The handcrafted serving spoon has a smooth surface that is pleasant to the touch and won't leave scratches on your pots and pans. It's a perfect gift for anyone who loves cooking or is simply looking for a beautiful and practical accessory for their kitchen. With this spoon, you not only have a useful tool, but also a work of art in your kitchen. To keep your spoon in optimal condition: Clean it every now and then under running water and rub it with olive oil after drying. This will give the cutlery an attractive patina and preserve it for a long time. Dimensions: 8 x 3.9 x 2.7 cm Material: Neem wood MX938 Sustainability Fair & social Resource-friendly Natural product Properties - We recommend cleaning by hand - From sustainably managed forests
