Product Description

Product description Our GOLD series proves that kitchen tools are not only functional, but can also be quite chic! The golden scissors also make the golden cut. Whether cutting kitchen herbs or opening packaging - these kitchen scissors are a must-have. - Scissor handles with rubberised finger protection - Precise cut Material: Stainless steel Dimensions: 17 x 6.5 x 0.5 cm It is best to wash the product gently by hand. In this case, the time the moisture remains on the product is much shorter and therefore gentler. MX631 Sustainability - Fair & social - Resource-saving
