Product Description

Product descriptionIs your bathroom your own little personal wellness temple? Then it should exude a feel-good atmosphere down to the smallest detail. That's why even something as seemingly mundane as a toothbrush tumbler is an eye-catcher in the bathroom, because this bathroom accessory comes in a particularly pretty design. The toothbrush tumbler offers you space for your toothbrushes or other small items that you need every day. We also have a soap dish, a shelf, a storage box and a soap dispenser to match the mug. - Material: Stoneware - Dimensions: Ø 8 x 11 cm - With holes on the underside Sustainability - Fair & social - Resource-saving Features - Ceramic - Hand-stamped
