Product Description

Product description The cake server is handmade from natural neem wood. The unique grain with an irregular grain pattern on a smooth surface makes the cake lifter something extraordinary. With its pleasant feel and light weight, it sits comfortably in the hand and is easy to handle. Whether for birthday cakes, tarts or quiches, the wooden cake server is a real eye-catcher on any table. Its durability also makes it a great gift for friends and family who appreciate something special. Neem wood is not only beautiful to look at, it also has many practical advantages. Due to its natural antibacterial properties, the wood is easy to clean. It is also resistant to scratches and stains, making it an excellent choice for kitchen utensils. To keep the cake server in optimal condition, you should clean it regularly under running water and rub it with olive oil after drying. This will give the utensil an attractive patina and keep it in pristine condition for a long time.
