### Product Description

- Rust, garden torch elephant with babies.- Supplied with a wax insert, which can also be purchased from us- The garden torch comes unrusted as shown in the third photo. After a short time it will look like the first two photos. If it takes too long to rust, just put it in salt water, it will go much faster.- The motif of the torch is cut out with a laser and is therefore very unique and true to detail. - The rod of the garden torch can be divided in the centre and can be attached to the balcony railing or flower pot in the "short form". - The motif candle torch is supplied with a wax insert. The garden torch is designed and manufactured in Germany and the high quality is always the same. - Garden torch gift for elephants, lovers, grandma, grandad, boyfriend, girlfriend, spouse and all friends. - Garden torch for Christmas and birthdays.- Torch is made in a facility for people with disabilities.As these are produced by hand. Through years of experience, the quality is always the same. The company Tiedemann Manufaktur und Design was founded in 1985 in Bad Zwischenahn and has been producing figures and sculptures for the house, terrace, balcony and garden for around 15 years. All items are produced exclusively in our workshop in Germany and leave the factory after careful inspection.
