### Product Description

- Rust, garden torch on the mountain pasture- Delivery with a wax insert, which can also be purchased from us- The garden torch comes unrusted as shown in the third photo. After a short time, it will look like the first two photos. If it takes too long to rust, just put it in salt water, it will be much faster- The motif of the torch is cut out with a laser and therefore very unique, detailed and unique- The rod of the garden torch can be divided in the middle and can be attached in the "short form" on the balcony railing or in the flower pot- The motif candle torch is supplied with a wax insert. Design and manufacture of the garden torch are in Germany, the high quality is always the same- Garden torch gift for elephants, lovers, grandma, grandpa, boyfriend, girlfriend, spouse and all friends- Valuable gift of the garden torch for Christmas and birthday- Part of the work on this torch is made in a facility for people with disabilitiesAs these are produced by hand. Years of experience mean that the quality is always consistently high. The company Tiedemann Manufaktur und Design was founded in 1985 in Bad Zwischenahn and has been producing figures and sculptures for the house, terrace, balcony and garden for around 15 years. All items are produced exclusively in our workshop in Germany and leave the factory after careful inspection. We have made it our mission to deliver the best quality and the most beautiful design at a good price.Ideal for- balcony or terrace requires little space. - As a garden and housewarming gift. Surprise for a barbecue evening. - Valuable garden torch gift for birthdays, Mother's Day, Easter and for nature loversYour benefit- Unique and very detailed design, with laser cut- Repels annoying insects.Dimensions- Height approx. 165 cm- Diameter 14 cmMaterial- Iron, 1mm thick
