Product Description

- Edge stool made ofstainless steel and natural stone, approx. 30 cm high. Decorative for the garden, patio, balcony and home.- The surface of the material is hardened and treated to be dirt-repellent. Eyes are made of glass and firmly glued to the metal with a special adhesive.- No two stones are the same, each bird is unique.- High quality, made in Germany. - Gift for family, friends, acquaintances, housewarming.- Stainless steel leaves no rust stains on the stones of the patio. The figures are water, rust and frost resistant. The surface of the material is hardened in a complex process and treated to be dirt-repellent, so that the sculptures have a long service life. If the material becomes dull after many years, it can simply be polished with stainless steel cleaver. The figurines will vary slightly from the unique piece shown, as they are produced by hand. Years of experience mean that the quality is always the same. We source the most beautiful hand-picked stones from many parts of Europe. No two stones are the same in shape and colour. The company Tiedemann Manufaktur und Design was founded in 1985. We have been producing figures and sculptures for the house, terrace, balcony and garden for around 15 years. All items are produced in our workshop in Germany and leave the factory after careful inspection. We have made it our mission to deliver the best quality and the most beautiful design at a good price.
