Product Description

Thorbjørn ice cream cones and various toppings representing different flavours of ice cream. The set also includes a stand on which children can place the ice-cream cones, just like in a real ice-cream shop. A spoon is also included to mould ice cream portions. The set can be used both indoors and outdoors for playing with sand and water. -Age group 2+ yearsThe recommended age group for this toy is 2+ years.-Display boxThis toy is packaged in a display box.- Promotes fine motor skills - Recommended for children of all ages.Encourages fine motor skillsRecommended for developing fine motor skills-Encourages interactionRecommended for encouraging interaction between children and adults-Motor disorderRecommended for developing motor skills-Boosts self-confidenceRecommended for boosting self-confidence-DishwasherThis toy is dishwasher-safe.- Stimulates imagination 5 Recommended for boosting self-confidence- Dishwasher-safe.Stimulates the imaginationRecommended for stimulating the imagination- Strengthens social skillsRecommended for developing social skills-Hand-eye coordinationRecommended for improving hand-eye coordination- The Nordic EcolabelThis toy has been awarded the Nordic Ecolabel.
