Product Description

Fun balance board that can be used for many different games and exercises. The child's balancing skills are challenged as they stand on the board and play with their movements and the movements of their body. The board can also be used for sitting. Many children with restlessness in their bodies can benefit from sitting on the board, e.g. during a meeting or at other times when rest is required, which can be difficult for children to achieve. We also recommend combining this board with the other cork products. -Age group 3+ years The recommended age group for this toy is 3+ years. -Balance-promoting Recommended for promoting balance -Brown cardboard box This toy is packaged in a brown cardboard box. -Facilities This set is a suitable size for nurseries and other facilities. - Encourages interaction Recommended for encouraging interaction between children and adults -Motor disorder Recommended for developing motor skills -Boosts self-confidence Recommended for boosting self-confidence -Revitalises imagination Recommended for boosting imagination -Boosts social skills Recommended for developing social skills
