Product Description

UDRY Dish Drying Mat, denim

Say goodbye to drenched kitchen towels and let Udry do the work for you. Udry's design combines functionality and aesthetics. Its durable drying rack made of BPA-free plastic is dishwasher safe (upper compartment) and its extra-absorbent microfibre draining mat is machine washable. With Udry you get an all-in-one product that is easy to handle and clean. Unlike conventional draining racks, Udry looks good with its simple design and does not block the way. You will hardly notice Udry unless it is filled with freshly washed dishes. But don't let the size deceive you, an amazing amount of dishes, glasses, cutlery, pots, pans, etc. can be stored on the Udry. Udry is available in 3 stylish colors and fits to all imaginable interior styles. From modern, contemporary, country house, rustic, traditional, mediterranean to maritime. The drying mat is available in 2 sizes: Udry 60 x 45 cm and Udry-Mini 50 x 33 cm. When Udry is not in use, it can be easily folded and stored in a drawer or cupboard. So you have a tidy worktop in no time.

Designer David Green: I am inspired by clear and simple design, which consists only of the bare essentials. This thought inspired me to create Udry. It is light, compact, functional, easy to handle and easy to clean.
