Product Description

Once upon a time, only highly skilled artisans could produce astonishing Christmas ornaments. Our collection was designed to bring the warm, cosy spirit of minimalist perfection into your home. Have you ever thought of making a combination of produced ornaments and decorations created by your family members? Such collections are often passed on and augmented from generation to generation. A set of 8 New Year's decorations made of yellow and blue felt will provide the perfect festive atmosphere. With them, you can decorate the Christmas tree Spira or let your imagination run wild and decorate whatever you want. The set also includes strings for hanging the decorations. Felting is one of the oldest techniques for obtaining fabrics, and it is more than 8000 years. Space decoration was made especially for the dreamers, wanderers and all kinds of travellers. Sky's the only limit, so let your dreams be your wings! Do not let the end of Christmas holidays stop you from enjoying your Spira Christmas tree. Use your imagination and let the Spira Christmas tree brighten your days all year round with one of these two incredible decoration sets. Spira is a product made with love under the Alps. It was designed down to the last detail, to be a timeless design piece, perfect in shape, proportions and balance. Each Spira product is handmade by skillful craftsmen, who take great pride in their work. DOES NOT INCLUDE THE SPIRA CHRISTMAS TREE
