Product Description

- Garden stick, climbing stick Frostie the snowman, for feeding the birds in summer and winter.- A valuable and inexpensive gift for lovers, married couples for wedding anniversaries, birthdays at Easter and Christmas.- The garden stick can be divided in the middle and can be attached in the "short form" to the balcony railing or in the flower pot as a flower plug.- The surface of the climbing aid is treated to be dirt-repellent. Rust and weatherproof. - Decorative flower stick as a useful tit dumpling holder for wild birds, lovingly designed and handmade in Germany.- Tit dumpling holder as a feeding station for wild birds, in a high quality that is always the same. Handcrafted like a unique piece.- Ideal as a decorative climbing stick between flowers and shrubs.- Part of the work on this fat ball holder is carried out in a facility for people with disabilities.Where insects are dying out, birds are also endangered. In many areas of our country, agriculture is a monoculture. There are very few insects and berries.Fields sprayed with chemical substances also destroy many of the birds' food sources. Garden stick as a year-round garden decoration, help the birds get through the winter.The surface of the garden stick is treated in an elaborate process to make it dirt-repellent, so that the Coco & Zippi flower stick in the heart has a long life. The climbing aids supplied will differ slightly from the garden plug shown, as they are produced by hand. Thanks to years of experience, the quality is always the same. Tiedemann Manufaktur und Design was founded in 1985 and has been producing figures and sculptures for the home, patio, balcony and garden for around 15 years. All items are produced exclusively in our workshop in Germany and leave the factory after careful inspection. We have made it our mission to deliver the best quality and the most beautiful design at a good price.Ideal for- A valuable and inexpensive gift for wedding anniversaries, birthdays, Easter and Christmas- As an individual gift for grandma, grandpa, boyfriend, girlfriend or wife and all loved ones.- Garden plug in modern design integrated with the garden plants.- Garden stick as a year-round garden decoration and climbing aid.Your advantage- Long life, made in Germany. Spreads good humour every day.- Attract birds to the garden with the titmouse dumpling holder. They will eat the annoying insects away- Garden plug with quality from Germany.- Garden stick as year-round garden decoration.Dimensions- Height with stick 160 cm and 30 cm wide.- The fir tree is 20 cm high and 16 cm wide. - The snowman is 18 cm high and 18 cm wide.Material- Stainless steel v2A
