Product Description

Christmas themed wooden decorations. Traditional shapes combined with light wood provide a warm Christmas atmosphere even in the most modern interiors. Once upon a time, only highly skilled craftsmen could make stunning Christmas decorations. Our collection has been designed to bring a warm, welcoming spirit of minimalist perfection into your home. Have you ever thought of making a combination of manufactured ornaments and ornaments created by your family members? Such collections are often passed down and increased from generation to generation. The set contains wooden ornaments in 5 different motifs and strings for installation. The ornaments are available in three different sizes – Small, Medium and Large.
