Product Description

- Mrs Dr Müller, Handmade edge stool made of rustproof, weatherproof stainless steel and a natural stone as a body, approx. 35 cm tall.- Edge stool, decoration for garden, terrace, balcony and home.- Using a machine developed by us, we can smooth the surface of the stainless steel, harden the material and treat it to be dirt-repellent.- No two stainless steel birds are the same, deviations from the photo emphasise the handmade nature of the work. - The stone bird is available in different natural stone colours. You decide the stone colour by selecting the colour.- Quality is always the same. Each bird is unique, made in Germany. - Edge stool as a gift for friends, acquaintances, housewarming, garden pond owners, Easter, Mother's Day, grandma, grandpa, mum, dad, barbecue evening and many other occasions.- Part of the work on this stainless steel bird is carried out in a facility for people with disabilities.- Supplied without decoration, i.e. without wall.Stainless steel leaves no rust stains on the stones of the patio. The figures are resistant to water, rust and frost. The surface of the material is hardened in an elaborate process and treated to be dirt-repellent so that they have a long service life. If the material becomes dull after many years, it can simply be polished with stainless steel cleaner. The figurines will vary slightly from the unique piece shown, as they are produced by hand. Years of experience mean that the quality is always the same. We source the most beautiful hand-picked stones from many parts of Europe. No two stones are the same in shape and colour. The company Tiedemann Manufaktur und Design was founded in 1985. We have been producing figures and sculptures for the house, terrace, balcony and garden for around 15 years. All items are produced in our workshop in Germany and leave the factory after careful inspection. We have made it our mission to deliver the best quality and the most beautiful design at a good price.Ideal for- stone bird for decorating the garden, patio, balcony and home.- Stainless steel leaves no rust stains on the tiles. Ideal for patios and balconies.- An unusual gift for barbecues, gardens, housewarmings and birthdays- Stainless steel does not leave rust stains on tiles. Ideal for the patio and balcony.- Part of the work on this stainless steel bird is carried out in a facility for people with disabilities.Your advantage- High quality and unique design at a favourable price.- As a gift for barbecues, gardens, housewarmings and birthdays.- Brilliant and creative design and long service life. - The neck is rotatable. The bird can then look down from one edge.Dimensions- Depending on the stone, approx. 35 cm high.Material- Stainless steel V2A and natural stone
