Product Description

- Edge stool bird made of stainless steel and natural stone, approx. 38 cm high. Decorative item for the garden, patio, balcony and home. - The surface of the material is hardened and treated to be dirt-repellent. - No two stones are the same, each bird is unique.- High quality, made in Germany. Gift for anyone who likes to read. As a gift for birthdays and barbecues, Easter and Mother's Day.- Part of the work on this stainless steel bird is carried out in a facility for people with disabilities. Stainless steel does not leave rust stains on the stones of the patio. This is the advantage of stainless steel. The figures are water, rust and frost resistant. In a complex process, the surface of the material is hardened and treated to be dirt-repellent so that they have a long service life. The stone birds will vary slightly from the unique pieces shown, as they are produced by hand. Years of experience mean that the quality is always the same. We source the most beautiful hand-picked stones from many parts of Europe. No two stones are the same in shape and colour. The company Tiedemann Manufaktur und Design was founded in 1985. We have been producing figures and sculptures for the house, terrace, balcony and garden for around 15 years. All items are produced in our workshop in Germany and leave the factory after careful inspection. We have made it our mission to deliver the best quality and the most beautiful design at a good price. Ideal for- Balcony, patio and pond decoration as an edge stool- As a gift for someone who likes to read, for barbecues, birthdays and Christmas- Year-round decoration, weatherproof and rustproofYour advantage- As a gift of unique value, handmade in Germany- Leaves no rust stains- Beautiful stones from all over the world- The head is rotatable and can therefore look to any sideDimensions- Approx. 38 cm high, depending on the stoneMaterial- Stainless steel V2A and natural stone
