Product Description

Penguins, set of 6

Penguins are very curious birds and largely fearless on land. Unlike tamed animals, which have lost their fear through their frequent contact with humans, most penguins are not afraid of humans by nature.

This figure by Wagner & Apel was lovingly handcrafted and inspired by a detailed presentation. Get these small, curious penguins into your home.

Wagner & Apel is a traditional manufacture from Thuringia. A lot of devotion, patience and craftsmanship flows into every model shape. Far away from industrial mass production, every figure, every animal sculpture and every single gift item receives the greatest attention. Because only in manual work can fine porcelain be transformed into unique favourites.
