Product Description

OWL Cartonic 3D Puzzle WHAT IS CARTONIC? Cartonic 3D puzzles are the easy and eco way to create a genuine piece of cardboard art. It's a pre-cut kit of cardboard slices, as simple as 1-2-3. During creation, you will literally witness its formation layer by layer. Once you're done, you can make your artwork even more unique by painting it or enjoying it as is in your home decor. But we should warn that you might need a new one right after the assembly because the process is kind of addictive. WHAT'S SO CULT? Owls are the birds of wisdom. Living at night, they have far-sighted, tubular eyes. But it's actually their hearing that makes them good hunters. Not sure if this owl will bring you a Hogwarts letter, but at least it will scare all the mice. By the way, owls can turn their heads almost all the way around — but not quite. Perhaps, after assembling you'll solve the puzzle of how they do that. Details quantity: 99 pcs Assembled puzzle size: 18x14x12 cm and 7,02x5,46x4,68 in How much time it takes?
