650037 - 3D clownfish craft set (MQ6)

from **8,70 EUR**

Item no.: 392113
shipping weight: 0.20 kg
Manufacturer: Eugy

Product Description

Clownfish live in anemones, which they can protect from predators with their stinging tentacles. They are all born male and have the ability to change into a female, but once the gender has been changed, they can't go back! Good for nature AND for you! EUGY not only encourage creativity, but are also environmentally friendly. So go on... bring your wilderness home! We have won a Red Dot Award! The Red Dot is the award for high design quality. Only products that demonstrate outstanding design are honoured by the international jury with the coveted seal of quality. Our core values are goodwill towards nature and life, refined quality and beautiful design. We are delighted that our beautiful design has now been recognised by a prestigious international design award, the Red Dot. Our products comply 100% with international safety standards (EN71-1,2,3 and CPSIA). An EUGY pack contains 7 flat cards with individually numbered parts that you can assemble yourself. *Please note that the product may be updated without prior notice. The actual product may differ slightly from the pictures. (*below pictures are sample instructions) How to assemble 1. Press each piece out of the perforated card 2. Apply glue to each piece 3. Assemble in numerical order And... Bring Your Wild Home!
