Product Description

Ahoy matey! The sperm whale has finally arrived. These marine wonders are the record holders for the deepest dive by a marine mammal. Good for nature AND for you! EUGY not only encourages creativity, but is also environmentally friendly. So go on... bring your wilderness home! We have won a Red Dot Award! The Red Dot is the award for high design quality. Only products that are characterised by outstanding design are awarded the coveted seal of quality by the international jury. Our core values are goodwill towards nature and life, refined quality and beautiful design. We are delighted that our beautiful design has now been recognised by a prestigious international design award, the Red Dot. Our products comply 100% with international safety standards (EN71-1,2,3 and CPSIA). An EUGY pack contains 7 flat cards with individually numbered parts that you can assemble yourself. *Please note that the product may be updated without prior notice. Actual product may vary slightly from images. 1. Press each piece out of the perforated card 2. Apply glue to each piece 3. Assemble them in numerical order And... Bring Your Wild Home!
