from **8,70 EUR**

Item no.: 392119
shipping weight: 0.20 kg
Manufacturer: Eugy

Product Description

These nocturnal birds can easily find their prey at night thanks to their keen eyesight and binocular vision. Owls can fly slowly and silently, allowing them to get very close to their prey without being caught! Good for nature AND for you! EUGY not only encourage creativity but are also environmentally friendly. So go on... bring your wilderness home! We have won a Red Dot Award! The Red Dot is the award for high design quality. Only products with an outstanding design are honoured by the international jury with the coveted seal of quality. Our core values are benevolence towards nature and life, refined quality and beautiful design. We are delighted that our beautiful design has now been recognised by a prestigious international design award, the Red Dot. Contains Our products are 100% compliant with international safety standards (EN71-1,2,3 and CPSIA). An EUGY pack contains 7 flat cards with individually numbered parts that you can assemble yourself. *Please note that the product may be updated without prior notice. The actual product may differ slightly from the illustrations. (*the illustrations below are sample instructions) Assembly instructions 1. Press each piece out of the perforated card 2. Apply glue to each piece 3. Assemble in numerical order And... Bring Your Wild Home!
